It is my understanding that the draft Foreign Publications Exploitation Review prepared by FDD on January 26, 1955, has been finalized and is now being reproduced. Would you please ask FDD for its comments on the following suggestions which were submitted by our Production Division too late for inclusion in the Review?

Branch Comments

Western Europe

Would suggest the inclusion of Iceland.

25X9A1

Near East

Suggest inclusion of following areas under Africa, Section VI, p. 39.

Union of South Africa  
Central African Federation  
East Africa - Kenya, Tanganyika, Uganda

Latin American

Do not recall seeing Semi-Monthly Information Report on Latin America. Could FDD exploit LA press for Communist topics suggested by Western Europe?

Sincerely yours,
